#### Overview of 2004 North Channel Cruise

by John Travis, cruise leader

Once again spring is here, time to uncover the boat and begin preparing for the adventure of another TSA North Channel Cruise. Since Coleen would not let me purchase the Gozzard 41 for \$650,000 at Chicago Strictly Sail, it looks like it's back to the Rhodes 22 this year, so Casper, Coleen and I would like to invite all Trailer Sailors to join us again for 2 weeks of sailing, exploring and of course Dingy Bingo.

Again this year I have tried to mix some old favorites with some new destinations. The dates of this years cruise will be July 16th to July 30th. We will launch in Spanish and head east as far as Beaverstone Bay before returning. I have included a few longer sails this year, which are of course always contingent on the weather.
